

## How to set up Speeding Notifications

1. Select Behaviours.
2. Select Speeding Tag and Notification.
3. Select the Speeding Behaviour.

The screenshot shows the Fleet Freedom web interface. On the left, the 'Behaviours' menu is expanded, showing a list of behaviours. The 'Speeding' behaviour is highlighted in yellow. Below it, the 'Speeding Tag and Notification' option is also highlighted in yellow. On the right, the 'Details' panel for the 'Speeding' behaviour is shown. It includes a 'Name' field with the value 'Speeding', a 'Notes' field, a 'Behaviour Script' dropdown menu with the value 'Speeding Tag and Notification', and a 'Parameters' section with fields for 'maximum' (120), 'street' (10), and 'notifyUsers' (ijones@gmail.com). The 'Targets' section at the bottom has tabs for 'Everything', 'Filtered', and 'Specific'.

4. Under Parameters, input the desired speed thresholds.

*Maximum* - Any time an asset travels above the maximum threshold, it is deemed speeding.

Email: [support@fleetfreedom.com](mailto:support@fleetfreedom.com)

**Street** - Any time an asset travels above the street threshold, it is deemed speeding. If the street threshold is 10 km/hr and the street speed limit is 50 km/hr, events above 60 km/hr will be deemed as speeding.

5. Add the User's email address you wish to receive speeding notifications. Multiple email addresses be must be separated by a semicolon (;). The User must exist within the Account.

6. Select any Targets or Filters, if applicable. Targets or Filters will allow you to apply the behaviour to a specific label, asset or kind. Everything in the Company can also be selected.

The screenshot shows a web interface for configuring 'Targets' and 'Filters'. The 'Targets' section has three tabs: 'Everything', 'Filtered', and 'Specific'. Under 'Everything', there's a note 'Targets assets only of the specified kind.' and a list of options: 'Any kind', 'People', 'Vehicles' (highlighted in green), 'Trailers', and 'Assets'. Below this is another note 'Targets assets with the selected label(s)' and a list of labels: 'Ontario', 'Quebec', 'Sales', 'Service', and 'Trailers'. The 'Pattern' field contains 'vehicle:\*'. The 'Filters' section also has three tabs: 'Everything', 'Filtered', and 'Specific'. Under 'Everything', there's a note 'Targets all providers in the company.' and a 'Pattern' field containing '\*'. At the bottom are 'Save' and 'Cancel' buttons.

7. Save.
