How to set up Place Entry, Exit and Linger Notifications
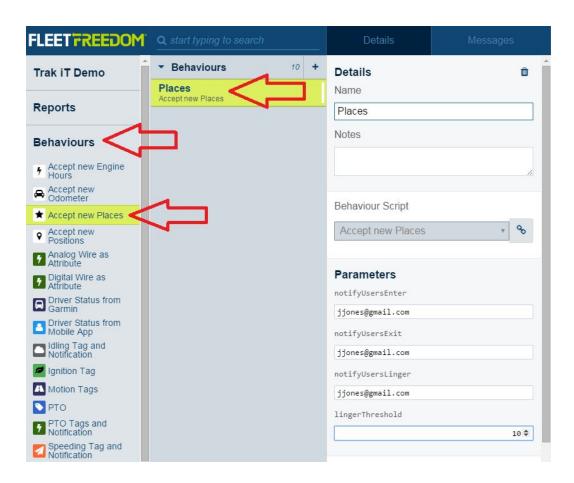

1. Select Behaviours.

2. Select Accept New Places.

3. Select the Places Behaviour.

4. Under Parameters, add the User's email addresses you wish to receive place notifications. Enter, Exit or Linger Notifications are available. Multiple email addresses must be separated by a semicolon (;). The User must exist within the Account.

5. Add a Linger Threshold. If an asset is inside a place longer than the specified threshold, the asset is deemed to be lingering and a notification will be sent. Threshold is measured in minutes.
